Memo for Record.

Discussed the Senate / House release of Dulles testimony given in Executive session on U-2 incident with

STAT [redacted] OGC. He said present policy is uncoordinated release of Executive information by the Legislative Branch is not official Executive release. This would be CIA's defense in court. Information withheld in this instance should be substantive, not trivia, [redacted] so [redacted] our defense is plausible

Memo for Record

STAT [redacted], OIS/IRD, discussed the Senate/House release of Dulles testimony on U-2 with [redacted] STAT

Release of Executive information by the Legislative Branch without approval is not Executive disclosure.

It would be bad precedent to release Dulles' testimony especially since we have Dulles memo requesting that Executive Session his U-2 testimony not be released.
